

Creating opportunities for inspired educators and students.

Thank you for your past donations that have made it possible for the Avon Education Foundation (AEF) to fulfill its mission.

The AEF has awarded over \$200,000 to projects that enhance education in Avon since its creation in 2003.

The Foundation creates opportunities for inspired educators and students. This is only possible because of the generosity of our benefactors.

Supporting Education in Avon

Avon High School has become a community center for the arts, technology and athletics in our growing town. The Avon Education Foundation (AEF) is looking to support this with our *Another Brick in the Walk* Fundraiser.

Help us continue to fund high quality, innovative and diverse programs and performances to provide our children and community members opportunities to discover, learn and enjoy.

Our goal is to sell at least 100 bricks each year. A tax deductible donation of \$100 commissions a 4 X 8 engraved brick and \$225 commissions an 8 X 8 engraved brick. For an additional donation we will make a duplicate brick to give as a keepsake to your honoree. Bricks will be installed in the walkway once a year during the spring or summer.

Support creativity and innovation in education—complete the order form and mail it with your check payable to the *Avon Education Foundation*.

Thank you for your generosity!
