## Avon Pavers for Posterity

**You are invited to compose a lasting memory with a paver honoring your family, your student, your graduate or your business to be exhibited in the walkway at the new student drop off entrance to Avon High School.**

### Supporting the Arts in Avon

With its expansion, Avon High School has the rare opportunity to become the center for the arts for our growing community. The Avon Education Foundation (AEF) is looking to support this by investing in arts education through our **Pavers for Posterity** Fundraiser to:

- Continue patronage of innovative and high quality programs and performances so our children and community members can engage in the discovery, learning and enjoyment of music, art, literature and culture; and
- Secure the AEF's ongoing commitment by creating an endowment that will allow us to sustain our endeavors for the long term.

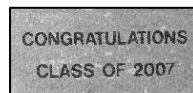

*Our goal* is to sell a limited number of inscribed pavers in two sizes. A tax deductible donation of \$100 commissions a 4 X 8 engraved brick, and a tax deductible donation of \$225 commissions an 8 X 8 engraved brick.

Pavers commissioned by December 31, 2007 are expected to be installed in the spring of 2008 as the high school expansion reaches completion.

*To become a patron of arts education in Avon*, all you have to do is complete the commission form and mail it with your check payable to the **Avon Education Foundation**.

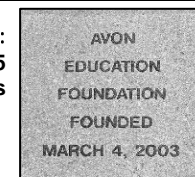

**Thank you for your philanthropy!**
